

# The White Stripes, You're Pretty Good Looking

Oh yeah you're pretty good looking for a girl  
but your back is so broken  
and this feeling's still gonna linger on  
until the year 2525 now

yeah you're pretty good looking for a girl  
your eyes are wide open  
and your thoughts have been stolen by the boys  
who took you out and bought you everything you  
want now

yeah you're pretty good looking  
oh yeah  
you're pretty good looking  
yes you're pretty good looking  
oh yeah  
for a girl

lots of people in this world  
but I want to be your boy  
to me that thought is sounding so absurd  
and I don't wanna be your toy  
cause you're pretty good looking for a girl  
my future's wide open  
but this feeling's still gonna linger on  
until I know everything I need to know now

yeah you're pretty good looking  
oh yeah  
you're pretty good looking  
yes you're pretty good looking  
oh yeah  
for a girl
