

# The Who, Amazing Journey (Soundtrack Version)

Now he is deaf  
Now he is dumb  
Now he is blind  
The guilty are safe  
But always accused by his empty eyes

Nothing to say, nothing to hear, and nothing to see  
Each sensation makes a note  
In his symphony

Sickness will surely take the mind  
Where minds can't usually go  
Come on the amazing journey  
And learn all you should know

A vague haze of delirium creeps up on him  
Soaring and flying images spin  
He is your leader, he is your guide  
On the amazing journey  
Together you'll ride

Sickness will surely take the mind  
Where minds can't usually go  
Come on the amazing journey  
And learn all you should know

His eyes are the eyes that  
Transmit all they know  
The Truth burns so bright it can melt winter snow  
A towering shadow so black and so high  
A white sun burning the earth and the sky
