

# The Who, Athena

Athena, I had no idea how much I'd need her  
In peaceful times I hold her close and I feed her  
My heart starts palpitating when I think my guess was wrong  
But I think I'll get along  
She's just a girl - she's a bomb

Athena, all I ever want to do is please her  
My life has been so settled and she's the reason  
Just one word from her and my troubles are long gone  
But I think I'll get along  
She's just a girl - she's a bomb

Just a girl just a girl  
Just a girl just a girl  
Just a girl just a girl  
She's just a girl

Athena, my heart felt like a shattered glass in an acid bath  
I felt like one of those flattened ants you find on a crazy path  
I'd of topped myself to give her time she didn't need to ask  
Was I a suicidal psychopath?  
She's just a girl - she's a bomb

Consumed, there was a beautiful white horse I saw on a dream stage  
He had a snake the size of a sewer pipe living in his rib cage  
I felt like a pickled priest who was being flambéed  
You were requisitioned blondie  
She's just a girl - she's a bomb

I'm happy, I'm ecstatic  
Just a girl just a girl  
Just a girl just a girl  
Just a girl just a girl  
She's just a girl

Look into the face of a child  
Measure how long you smiled  
Before the memory claimed  
How long would children remain  
How long would children remain

Athena, you picked me up by my lapels and screamed "leave her"  
It felt like waking up in heaven on an empty meter  
And now you're stuck with a castrated leader  
And I hate the creep, I didn't mean that  
She's a bomb  
I just said it  
She's a bomb  
I didn't mean it, please  
She's a bomb

Athena, I had no idea how much I need her  
My life has been so settled and she's the reason  
Just one word from her and my troubles are long gone  
But I get along  
She's just a girl, she's a bomb  
She's just a girl, she's a bomb
