

The Who, Eyesight To The Blind (The Hawker)

You talk about your woman
I wish you could see mine
You talk about your woman
I wish you could see mine
Every time she starts to lovin'
She brings eyesight to the blind

You know her daddy gave her magic
I can tell by the way she walks
You know her daddy gave her magic
I can tell by the way she walks
Every time she starts to shakin'
The dumb begin to talk

She's got the power to heal you
Never fear
She's got the power to heal you
Never fear
Just a word from her lips
And the deaf begin to hear
