## The Who, Get Out And Stay Out

Get out and don't come back no more Get out and don't come back no more Get out, don't come back Get out, don't come back Get out, and don't come back no more

Don't come back Don't come back Don't come back Don't come back

Get out, don't come back Get out, don't come back Get out, don't come back Get out, don't come back

Don't come back Don't come back Don't come back Don't come back

Get out, don't come back Get out, don't come back Get out, don't come back Get out, don't come back

Get out, don't come back Get out, don't come back Get out, don't come back Get out, don't come back

Get out, and don't come back Get out, and don't come back Get out, and don't come back Get out, and don't come back

Get out, don't come back Get out, don't come back Get out, don't come back Get out, don't come back

Don't come back no more Don't come back no more Don't come back no more Don't come back no more

Get out, and don't come back Get out, and don't come back Get out, and don't come back Get out, and don't come back

Get out, and don't come back Get out, and don't come back
