

# The Who, Much Too Much

Much too much to bear

Your love is hard and fast  
Your love will always last  
If it's you I need  
I've got to pay the levy  
Got to pay  
'Cause your love's too heavy on me

And it's much too much to bear

If I ever leave you darlin'  
I hope you see  
That I really love you  
But your love's too heavy on me

And it's much too much to bear

When I make love to you  
Do all the things you want me to do  
You never think of me  
Always cry a bevy  
Bevy of tears  
'Cause your love's too heavy on me

And it's much too much to bear

There was a time I could give all I had to you  
But my enthusiasm waned and I can't bear the pain  
Of doing what I don't want to do

Much too much to bear

Your love is hard and fast  
Your love will always last  
If it's you I need  
I've got to pay the levy  
Got to pay  
'Cause your love's too heavy on me

And it's much too much to bear
