

# The Yardbirds, I Wish You Would

(Billy Boy Arnold)

Early in the morning, 'bout the break of day,  
That's when my baby went away.  
Come back, baby, I wish you would,  
Try and love me, you won't do no good.

Walking and a-kissing late at night;  
I tell you now baby, I feel just right.  
Come now baby, whatcha trying to do?  
Trying to love me and some other man, too.

Come now baby, give me one more chance.  
You know I still love you, want to give you romance.  
Yeah romance, all night long, in my arms, woah yeah.

(First Verse)

You know baby that I love you so.  
You know, pretty baby, it hurts me to see you go.  
Oh yeah, oh yeah.
