

# The Yardbirds, Talkin' About You

(Chuck Berry)

Let me tell you 'bout a girl I know,  
I found her walking down an uptown street.  
She's so fine, you know I wish she was mine,  
I get shook up every time we meet.

I'm talkin' 'bout you,  
Nobody but you.  
Yes, I do mean you,  
Come on and let me get a message to you.

Let me tell you 'bout a girl I know,  
I tell ya now she looks so good.  
Got so nice skin and such a beautiful lip,  
She oughta be somewhere in Hollywood.

I'm talkin' 'bout you,  
Nobody but you.  
Yes, I do mean you,  
Come on and let me get a message to you.

Let me tell you 'bout a girl I know,  
She's sitting here by my side.  
Lovely indeed, that's why I asked her if she'd,  
Promise me someday she would be my bride.

I'm talkin' 'bout you,  
Nobody but you.  
Yes, I do mean you,  
Come on and let me get a message to you.
