

The Yeah You, 15 Minutes

Yeah yeah yeah yeah yeah yeah yeah yeah
I'm staring at the same old crack
In the same old wall
I want my life back
I'm listening to the same old crap
That I've heard before
I want my life back
But I've got a plan to be a better man
(better man)
And not an arsehole man
I won't be very long
Though I may be wrong
I may be very wrong
And I'll be back in 15 minutes
When they've made me a superstar
When I'm back in 15 minutes
No I won't forget who you are
Open doors of recognition
And he knew what I was looking for
But I'll be back in 15
Yeah yeah yeah yeah yeah yeah yeah yeah..
I'm happy with a fix of fame
when I've had my fill
I get my life back
They tell me it's a dirty game
But I'll play until
I get my life back
I wanna jump the queue
Like the others do
Stand back, I'm coming through
I won't be very long
Though I may be wrong
I may be very wrong
And I'll be back in 15 minutes
When they've made be a superstar
When I'm back in 15 minutes
I won't forget who you are
Open doors of recognition
And he knew what I was looking for
But I'll be back in 15
Yeah yeah yeah yeah yeah yeah yeah yeah
Hold on, it may be a rocky ride
Oh, I hope I'll be satisfied
But I will try, give me 15
(solo)
If I never buy a ticket
I'm never gonna win at all
But I'll be back
I'll be back in 15 minutes
When they've made me a superstar
When I'm back in 15 minutes
I won't forget who you are
Open doors of recognition
And he knew what I was looking for
But I'll be back in 15
Yeah yeah yeah yeah yeah yeah yeah yeah
Yeah yeah yeah yeah yeah yeah yeah yeah
