The Zutons, Moons And Horror Shows

Today is a day when many fine things will come Today is just a memory tomorrow I know that there's some bad things to come But I'll forget them all until tomorrow The days are long and nights don't come at all We eat and drink and then we fall asleep And then I dream of moons and horror shows And then I'll wake up fresh and new tomorrow

Then I dream of moons and horror shows And then I'll wake up fresh and new tomorrow Hmmmm...
