

The Zutons, Times Of Trouble

You know we're living in times of trouble,
The past was better for me,
While I'm living in times of trouble,
Maybe you can help me,
Oh maybe you can help me.
I keep on looking on over my shoulders,
And fear has fallen to me,
I looked a while and then once over,
Maybe you can help me,
Well maybe you can help me.
Another week, another weekend,
Passes right over me,
Another way to find a new friend,
Maybe you can help me,
Oh maybe you can help me.
Uh huh huh,
Uh huh huh,
Uh huh huh,
Uh huh huh,
Uh huh huh,
Uh huh huh.
Mmm uh huh huh.
