

Thea Gilmore, Cover Me

The times are tough now, just getting tougher
The old world is rough and it's getting rougher
Cover me, come on baby, cover me
Well, I'm looking for a love, come on in and cover me

Promise me baby you won't let them find us
Hold me in your arms, let's let our love blind us
Cover me, shut the door and cover me
Well, I'm looking for a love who will come on in and cover me

Outside's the rain, the driving snow
I can hear the wild winds blowing
Turn out the light, bolt the door
I'm not going out there no more

Whole world is out there just trying to score
I've seen enough, don't want to see any more,
Cover me, come on and cover me
Oh, I'm looking for a lover, come on in and cover me

Outside's the rain, the driving snow
I can hear the wild winds blowing
Turn out the light, bolt the door
'Cause I'm not going out there no more

Whole world is out there just trying to score
I've seen enough, don't want to see any more,
Cover me, come on baby, cover me
Oh, I'm looking for a lover, come on in and cover me
Oh, I'm looking for a lover, come on in and cover me
