

# Thea Gilmore, Ever Fallen In Love

You stirred my natural emotion  
You make me feel I'm dirt  
And I'm hurt  
And if I start a commotion  
I'll only end up losing you  
And that's worse

Ever fallen in love with someone  
Ever fallen in love, in love with someone  
Ever fallen in love, in love with someone  
You shouldn't've fallen in love with

I can't see much of the future  
Unless we find out what's to blame  
What a shame  
And we won't be together much longer  
Unless we realise that we are the same

Ever fallen in love with someone  
Ever fallen in love, in love with someone  
Ever fallen in love, in love with someone  
You shouldn't've fallen in love with

Ever fallen in love with someone  
Ever fallen in love, in love with someone  
Ever fallen in love, in love with someone  
You shouldn't've fallen in love with

You stirred my natural emotion  
You make me feel I'm dirt  
And I'm hurt  
And if I start a commotion  
I'll run the risk of losing you  
And that's worse

Oh, yeah  
Oh, yeah
