## Thea Gilmore, Ever Fallen In Love

You stirred my natural emotion You make me feel I'm dirt And I'm hurt And if I start a commotion I'll only end up losing you And that's worse

Ever fallen in love with someone Ever fallen in love, in love with someone Ever fallen in love, in love with someone You shouldn't've fallen in love with

I can't see much of the future
Unless we find out what's to blame
What a shame
And we won't be together much longer
Unless we realise that we are the same

Ever fallen in love with someone Ever fallen in love, in love with someone Ever fallen in love, in love with someone You shouldn't've fallen in love with

Ever fallen in love with someone Ever fallen in love, in love with someone Ever fallen in love, in love with someone You shouldn't've fallen in love with

You stirred my natural emotion You make me feel I'm dirt And I'm hurt And if I start a commotion I'll run the risk of losing you And that's worse

Oh, yeah Oh, yeah
