

Thea Gilmore, Pirate Moon

Up in the midnight blue,
That's where I'm going to
Up where the sirens scream
Through every misplaced dream
Up with the Pirate Moon

In bloody monochrome
That's where I'll call my home
Up where the stars will die
Before they can reach your eyes
Up with the Pirate Moon

Yeah, I'm going home
Yeah, I'm going home

Above the mirrored sea
That's where I'm gonna be
Up where the whisper fails
The scar tissue of vapour trails
Up with the Pirate Moon

Up in the cloud ballet
That's where I'm going to stay
I could just disappear
You cannot reach me here
Up with the Pirate Moon

Yeah, I'm going home
Yeah, I'm going home
With the Pirate Moon
With the Pirate Moon
