

# Theatres des Vampires, Till The Last Drop Of Blood

I want to drink your blood this night  
A Satanic night of fullmoon  
She meets pure essence of evil  
Masquerade as an angel of light  
She becomes Bride of Darkness  
licks the burning cross, bleeding mouth  
"I want to drink from you"  
"You can drink from me"  
Till the last drop of blood  
If you want to enjoy this night  
let me suck from your neck  
The wolves will dance around you  
Your orgasm in the Pentacle!!
