

# Theatres des Vampires, Vampyrice (Theme For Vampyrice)

This night I feel your breath

This night I hear your voice!!

When you walk my dark path, love like a bloodbath

Other vision, other eyes, a vampiric sado-enchancement

When you walk my dark path, love like a bloodbath

Other vision, other eyes, a vampiric sado-enchancement

VAMPYRICE

Your pain, you don't want this

You want...you want another life

When you walk my dark path, love without heart

Other life, other power, a vampiric transmutation

When you walk my blood path, love like a bloodbath

When you walk my dark path, love without heart

VAMPYRICE
