Them, Hey Girl

Let's go walking where the boats go by And watch them sail across the bay Let me hold your hand in the morning fog Little child I want to walk your dog

Hey, hey girl Hey, hey girl You're so young I don't know what to do

And let's go walking up that mountain slope And look down on the city down below I will make a fool of you

Hey, hey girl Hey, hey girl You're so young You make me lose my mind

Hey, a-ha, there goes your baby sister FADES-Lookin'
