

# Theocracy, The Healing Hand

## 1. The Gift

Gloria gloria  
underneath a burning star  
seeking their salvation  
see them searching for the ONE  
who's come to heal their nation  
prophesy incarnate  
holiness in flesh arrived  
the star has shown the path to life and hope is now alive  
FOR UNTO EARTH IS BORN THE HOLY HAND

## 2. Restoration

See the multitudes surround this man of miracles  
the key to life they've found, He is the Son of God  
Hear the suffering people cry for healing from this man  
as they reach out to touch a supernatural hand  
"take my scars, heal my wounds, give new life to me" the cry  
cleanse my stains, kill disease, Master, make this sickness die  
Endless power, fueled by faith, restoration in one touch  
Miracle, supernaturally disease is crushed  
THE HOLY HAND BECOMES THE HEALING HAND

## 3. Adulation

Faith is Freedom, freedom faith  
(repeat)  
hear the people joined in praise to Christ  
incarnate holy one  
worthy is the lamb they say  
messiah prophesied has come  
honored for eternity, forever shall we give Him praise  
never will our hearts turn cold,  
we never shall betray

## 4. Betrayal

Hearts Once Soft have turned to stone  
left their king to die alone  
lips that once had echoed praise  
now mock the holy gift of grace  
prophecy fulfilled in death  
complete redemption with final breath  
Israel lifting up her king  
not in praise, but suffering  
see the hand that drives the nail  
through the hand that never failed  
hear the laughter, see the games  
the mock salvation unashamed  
see the ones He came to justify  
coldly stand and watch him die  
rejected by his chosen land  
The healing hand becomes the bleeding hand

## 5. Eternity

His kingdom forever, the Lion of Judah in strength  
everlasting redemption, atonement complete  
resurrected in power, as King now he stands  
FOR THE BLEEDING HAND HAS BECOME THE RULING HAND  
Faith-born forever, a part of His kingdom become  
Or reject him, stand back  
and watch his kingdom come  
ALpha and omega almighty is he  
Christ reigns victorious for eternity  
Eternity
