

Theory Of A Deadman, All Or Nothing

When I first saw you standing there
You know it was a little hard not to stare
So nervous when I drove you home
I know being apart is a little hard to bare.
Send some flowers to your work in hopes
That I'd have you in my arms again
We kissed that night before I left
And now that's something
I could never forget
You've got all that I need
Looking at all or nothing
Babe it's you and I
With you I know that
I am good for something
So lets go give it a try
We got our backs against the ocean
It's just us against the world
Looking at all or nothing
Babe it's you and I
Looking at all or nothing
Babe it's you and I
Lets take a chance go far away today
And never look back again
Since I said I loved you in Las Vegas
It's never been the same since then
You've got all that I need
Looking at all or nothing
Babe it's you and I
With you I know
I am good for something
So lets go give it a try
We got our backs against the ocean
It's just us against the world
Looking at all or nothing
Babe it's you and I
Looking at all or nothing
Babe it's you and I
This is it nothing to hide
One more kiss never say goodbye
This is it babe your all mine
Looking at all or nothing
Babe it's you and I
I know that I am good for something
So lets go give it a try
We got our backs against the ocean
It's just us against the world
Looking at all or nothing
Babe it's you and I
With you I know that
I am good for something
So lets go give it a try
We got our backs against the ocean
It's just us against the world
Looking at all or nothing
Babe it's you and I
Looking at all or nothing
Babe it's you and I
Babe it's you and I
