## Theory Of A Deadman, All Or Nothing

When I first saw you standing there You know it was a little hard not to stare So nervous when I drove you home I know being apart is a little hard to bare. Send some flowers to your work in hopes That I'd have you in my arms again We kissed that night before I left And now that's something I could never forget You've got all that I need Looking at all or nothing Babe it's you and I With you I know that I am good for something So lets go give it a try We got our backs against the ocean It's just us against the world Looking at all or nothing Babe it's you and I Looking at all or nothing Babe it's you and I Lets take a chance go far away today And never look back again Since I said I loved you in Las Vegas It's never been the same since then You've got all that I need Looking at all or nothing Babe it's you and I With you I know I am good for something So lets go give it a try We got our backs against the ocean It's just us against the world Looking at all or nothing Babe it's you and I Looking at all or nothing Babe it's you and I This is it nothing to hide One more kiss never say goodbye This is it babe your all mine Looking at all or nothing Babe it's you and I I know that I am good for something So lets go give it a try We got our backs against the ocean It's just us against the world Looking at all or nothing Babe it's you and I With you I know that I am good for something So lets go give it a try We got our backs against the ocean It's just us against the world Looking at all or nothing Babe it's you and I Looking at all or nothing Babe it's you and I

Babe it's you and I
