

Theory Of A Deadman, Not Meant To Be

It's never enough to say I'm sorry
It's never enough to say I care
But I'm caught between what you
Wanted from me, and knowing
If I give that to ya
I might just disappear.

Nobody wins when everyone's losing

Oh, it's like

One step forward and two steps back
No matter what I do you're always mad
And I can't change your mind,

Oh, it's like

Trying to turn around on a one way street
I can't give you what you want
And it's killing me and I, I'm starting to see
Maybe we're not meant to be

It's never enough to say I love you
No, it's never enough to say I try
It's hard to believe that's there's
No way out for you and me
And it seems to be,
The story of our life

Nobody wins when everyone's losing

It's like one step forward and two steps back
No matter what I do you're always mad
And I can't change your mind, oh

It's like trying to turn around on a
One way street. I can't give
You what you want and it's killing me
And I, I'm starting to see
That maybe we're not meant to be

There's still time to turn this around
Should we be building this up
Instead of tearing it down
But I keep thinking
Maybe it's too late.

It's like one step forward
And two steps back,
No matter what I do
You're always mad
And I, can't change your mind, oh

It's like tryin to turn around
On a one way street
I can't give you what you want
And it's killing me and I,
I finally see,
Baby that we're not meant to be

It's like one step forward,
And two steps back,
No matter what I do
You're always mad,

And I, Baby I'm sorry to see,
Maybe that we're not meant to be
