

Therapy?, Bloody Blue

John Coltrane's got a great big train
Colour of the juice running through my veins
And if you leave me, boo-hoo-hoo
I will turn this colour too

Blue, blue, blue, blue, bloody blue

Elvis on your bedroom wall
Singing, dancing all night long
Dance on Monday, fun, fun, fun
Sing about Kentucky in the Memphis sun

Blue, blue, blue, blue, bloody blue
Blue, blue, blue, blue, bloody blue
