

Therapy?, Come And Die

(feat. Fatal)

Yeeeeahh! Hahahaha!

Fatal in the building

Yeeeeahh!

Come and die!

Aaaarh! Hahahaha!

Come and die with me!

Yaaargh! Daaarrg!

Come and die!

Daaarrg! Die! (die)

Come and die with me!

Feel the helter skelter

Baby come on get help

You'd better run and (maybe ask) some shelter

Coz' I ain't with the bullshit

Push it in, pull it back

Then I hit you with a full clip

Then watch you bleed

You killed my seed

And I will want to push you on your knees

So look into my eyes

It's time to die!

Yaaargh!

Come and die! Come and die! Come and die!

Come and die with me!

Aaarrgg!

Come and die! (die) Come and die! (die) Come and die! (die)

Come and die with me!

Come on! (die) Come on! (die)

Aaargh! (die) (die) (die) (die)

Aaargh!

You can't run

You can't hide

I'm gonna kill you! (Woehahaha!)

You can't run

I'm gonna get you

You can't hide

I'm gonna find you

You can't run

I'm gonna kill you

You can't hide

I'm gonna kill you!

Heads on the floor

I'm going insane

When they catch this motherfucker

I'm a true fucking brains

Picking up a past time, wait

This is a crazy to make for my kid and my wife

Everything amounts to suicide

singing in petrified hope

but you can't (running) high

Bitch, there ain't no need to cry

Time's up

It's time to die!

Aaargh! Come and die! (die)
Come on! Come and die! (die)
Aahahahaha! Come and die! (die)
Come and die with me!

Die! Come and die!
