

# Therapy?, Die Like A Motherfucker

Ex-consumer  
Drowned my computer  
Caught the fucker talking back to me  
Cut to the chase  
Bury the waste  
Disposable is the key

When you live like a fucker  
You die like a motherfucker  
Live like a fucker  
You die like a motherfucker  
Live like a fucker  
You die like a motherfucker  
Die motherfucker  
Die motherfucker die

Bored to distraction  
With your comedy action  
I wish you'd get up and leave  
Out of my face  
And into the shit  
Long may you rot in peace

When you live like a fucker  
You die like a motherfucker  
Live like a fucker  
You die like a motherfucker  
Live like a fucker  
You die like a motherfucker  
Die motherfucker  
Die motherfucker die

Atomised  
Itemised  
And super-sized to death  
Short attention spawn  
The curtains drawn  
A generation takes it's last breath

When you live like a fucker  
You die like a motherfucker  
Live like a fucker  
You die like a motherfucker  
Live like a fucker  
You die like a motherfucker  
Die motherfucker  
Die motherfucker die

Live like a fucker  
You die like a motherfucker  
Live like a fucker  
You die like a motherfucker  
Live like a fucker  
You die like a motherfucker  
Die motherfucker  
Die motherfucker die

Die motherfucker die
