

Therapy?, Fat Camp

I want to go where the good ones go
I want to know what the good ones know
I want to go, won't you take me with you?
I want to go, won't you take me to the river?

I want to know what the good ones know
I want to go where the good ones go
I want to know, won't you take me to the river?
I want to go where you go

(It's going off) Won't you take me with you?
(It's going off) Won't you take me with you?
(It's going off) Yeah, you took me with you
(It's going off) Hey

(Falling down) Yes, it's a punk thing
(I want out)

I need a head transplant
I need a head transplant
I need a head transplant
Send me to fat camp

I need a head transplant
I need a head transplant
I need a head transplant
Send me to death fat camp, hey

I want to go where the good ones go
I want to know what the good ones know
I want to go, won't you take me with you?
I want to go, won't you take me to the river?

(It's going off) Won't you take me with you?
(It's going off) Won't you take me with you?
(It's going off) Won't you take me with you?
(It's going off) Won't you take me with you?

(Falling down) It's a punk thing
(I want out)

I need a head transplant
I need a head transplant
I need a head transplant
Send me to fat camp

I need a head transplant
I need a head transplant
I need a head transplant
Send me to death fat camp, yeah

(Falling down) It's a punk thing, yes, it's a punk thing
(I want out) It's a punk thing
(Falling down) Of course, it's a fucking punk thing, yeah
(I want out) Come on

I need a head transplant
I need a head transplant
I need a head transplant
Send me to fat camp

I need a head transplant
I need a head transplant
I need a head transplant

Send me to death fat camp

I need a head transplant
I need a head transplant
I need a head transplant
Send me to fat camp

I need a head transplant
I need a head transplant
I need a head transplant
I need a head transplant
