

# Therapy?, Long Distance

I like cold mornings  
They keep me sharp  
Forget the rain  
Forget the car  
And leave behind all communication

All the pieces  
In front of me  
I have this place  
All to myself  
I'm not asking much  
Just a little space for my head

I start today, I drive the other way  
I start today, I drive the other way  
I start today, I drive the other way  
I start today, I drive the other way

A simple lake  
Dirt tracks for days  
I'm breathing clean  
My eyes feel bathed  
I've hit the wall too many times now

I start today, I drive the other way  
I start today, I drive the other way  
I start today, I drive the other way  
I start today, I drive the other way

I start today  
I start today  
I start today  
I start today

I start today, I drive the other way  
(and if it makes you happy, it doesn't make me sorry)  
I start today, I drive the other way  
(and if it makes you happy, it doesn't make me sorry)  
I start today, I drive the other way  
(and if it makes you happy, it doesn't make me sorry)  
I start today, I drive the other way  
(and if it makes you happy)
