

Therapy?, Poundland Of Hope And Glory

Your narrative is built on blood and death
And your legacy chokes on its last breath

It's not Jerusalem
Jerusalem's a city in the Middle East
Your Jerusalem
Is just another myth

You're hanging on to your porcine crusade
To escape from the reality of drab decay

It's not Jerusalem
Jerusalem's a city in the Middle East
Your Jerusalem
Is just another myth

All your greatest myths
All your greatest hits
All your greatest myths

It's not Jerusalem
Jerusalem's a city in the Middle East
Your Jerusalem
Is just another myth

It's not Jerusalem
Jerusalem's a city in the Middle East
Your Jerusalem
Is just another myth

Just another myth
Just another myth
Just another myth
