

They Might Be Giants, Confusing The Mind

Yes, you can scare a person by confusing his mind
Let's start one step at a time

Yes, you can scare a person by confusing his mind

Always remember, there are two diseases in any business

Well, jeepers, we've got two or three children
Well, jeepers, we've got two or three children

There's no need for confusing the mind
Or... or or filling up the mind with those little things that that
