

# They Might Be Giants, Courage The Cowardly Dog

Eustace, Muriel  
Somebody's at the door  
Creepy, Surreal  
Somebody get the door

Somebody get the door  
Who's gonna get the door?  
Courage the Cowardly Dog  
Courage the Cowardly Dog

Something horrible  
Wants to destroy our humble,  
No where, shack  
Who will protect our home?

Someone protect our home  
Who will protect our home?  
Courage the Cowardly Dog
