

# They Might Be Giants, Fake-Believe

Fake-Believe, Fake-believe, Fake-believe  
Fake-Believe, Fake-believe, Fake-believe  
Fake-Believe, Fake-believe, Fake-believe  
F is for Fake-Believe

F is for fun  
F is for fun  
F is for fake-believe

We're wearing fake fur, and riding on alpacas  
On the wild frontier, wearing wax mustaches  
Pretending we're cowhands, yodeling like cowhands too  
Yodel-ay-he-hoo

F is for fun  
F is for fun  
F is for fake-believe

Now look at my crown, I'm acting mighty bossy  
I'm king of this town, and (my kick?) gets extra frosty  
From this moment on, please call me Lord Fauntleroy  
That's Little Lord Fauntleroy, please

F is for fun  
F is for fun  
F is for fake-believe

Fake-Believe, Fake-believe, Fake-believe  
Fake-Believe, Fake-believe, Fake-believe  
Fake-Believe, Fake-believe, Fake-believe  
F is for Fake-Believe
