

They Might Be Giants, Go For G!

Gorillas in the jungle
Gazelles out in the field
Goats are in the barnyard
And gophers in their holes
Go go go go for G
Go go go go for G
You'll feel glorius, generous, gleeful and great
When you go go go go for G
Goofballs in their go-carts
Girl scouts chewing gum
Grandma with her gingerbread
And the drummer plays a gong
Go go go go for G
Go go go go for G
You'll feel gracious, gigantic, grateful and glad
When you go go go go for G
Grapes, glue, gyroscopes
Go go go go for G
Go go go go for G
You'll feel glorius, generous, gleeful and great
When you go go go go for G
