

They Might Be Giants, Haunted Floating Eye

I can't hang out with the haunted eye
Though I don't know why
I can't hang out with the haunted eye
Though I don't know why

I was born in a crypt a hundred years ago
A spider was my mom
Workin' as a shill in a traveling show
'Til I killed someone

I can't hang out with the haunted eye
Though I don't know why
I can't hang out with the haunted eye
Though I don't know why

I can't hang out with the haunted eye
Though I don't know why
I can't hang out with the haunted eye
Though I don't know why
