

They Might Be Giants, Hotel Detective

She got her ear to the walls,
and she tappin' the calls
if you got a secret, boy,
FORGET ABOUT IT

Cuz she's a hotel detective
a little hotel detective
and she's a hotel detective
why dont ya, check her out!

well, the bellhop was funky
the waiter's a monkey
there's a knock at the door, boy
forget about it!

Cuz she's a hotel detective
a little hotel detective, yeah

c'mon and, check her out!

ooooooooooooohhhhhh!!!

She says she likes my face;
she says she owns the place,
but forget about it!

Cuz she's a hotel detective
a little hotel detective
c'mon
hotel detective!
why don't you check her out!

Ah, hotel detective
C'mon lets bring with me
Hotel detective!
From the top of a tree,

and make me feel like a bee,
Hotel detective!

That's where I want to know you!

Ha, ha, ,ha , ha!
