

They Might Be Giants, In The Middle, In The Middle

Don't cross the street in the middle in the middle In the middle in the middle in the middle of the blo
Don't cross the street in the middle in the middle In the middle in the middle in the middle of the blo

Use your eyes to look up Use your ears to hear Walk up to the corner when the coast is clear And

Don't cross the street in the middle in the middle In the middle in the middle in the middle of the blo

Don't cross the street in the middle in the middle In the middle in the middle in the middle of the blo

Don't cross the street in the middle in the middle In the middle in the middle in the middle of the blo

Use your eyes to look up Use your ears to hear Walk up to the corner when the coast is clear And

Don't cross the street in the middle in the middle In the middle in the middle in the middle of the blo

Don't cross the street in the middle in the middle In the middle in the middle in the middle of the blo
