

They Might Be Giants, Monsters Of Mud

Monsters of mud

Covered in mud

(Made of mud)

Monsters of mud

(Made of mud)

Monsters of mud (made of mud)

Covered in mud (they're made of mud)

Monsters of mud (made of mud)

Covered in mud (they're made of mud)

Monsters of mud (made of mud) (look at that mud man)

Covered in mud (they're made of mud) (it's disgraceful)

Monsters of mud (made of mud) (check out the dirt pile)

Covered in mud (they're made of mud) (its got a face full)

Monsters of mud (made of mud) (look at that mud man)

Covered in mud (they're made of mud) (It's disgraceful)

Monsters of mud (made of mud) (check out the dirt pile)

Covered in mud (they're made of mud) (its got a face full)

It's unbelievable

They're walking through the streets of town

They act like people but they're

Shapeless, grimy, gray and brown

(Made of mud, they're made of mud)

(Made of mud, they're made of mud)

It used to be that

Everyone you'd see was so well scrubbed

Everything's different now

Ever since the monsters of mud

Monsters of mud

(Made of mud)

Covered in mud

(Made of mud)

Monsters of mud (made of mud)

Covered of mud (they're made of mud)

Monsters of mud (made of mud)

Covered in mud (they're made of mud)

Look out there's one right there

It freaks me out, it's covered in crud

All of our values have been challenged

By the monsters of mud

Here they slime

There they slouch

On the carpet

On my couch

Mud monsters everywhere

You can't escape the slobbering flood

We couldn't stop them so we all became

The monsters of mud

It's unbelievable

We're walking through the streets of town

We act like people but we're

Shapeless, grimy, gray and brown

(Made of mud, we're made of mud)

(Made of mud, we're made of mud)

It used to be that

Everyone you'd see was so well scrubbed
Everything's different now
Ever since the monsters of mud
