

They Might Be Giants, Outboard Part Of Man

I'm an outboard part of man
and I'm a bread boy eating sand
I'm an outboard bread boy outboard bread boy
bread board bread board
everybody singing
I'm a night light in the sun
and I'm a sleep tight on the run
I'm a night light sleep tight night light sleep tight
night sleep night sleep
when they come and get me I'll be
ok, fine, putting on some weight, great
but don't let anybody know
but don't let anybody know
just tell 'em I'm an outboard part of man
I'm a bread boy eating sand
I'm an outboard breadboy outboard breadboy
bread board bread board
everybody singing
I'm a nightlight in the sun
and I'm a sleep tight on the run
I'm a night light sleep tight night light sleep tight
night light sleep tight night light sleep tight
ahhhhhhhhhhhhh
