

# They Might Be Giants, Sapphire Bullets Of Pure Love

Pistol shots  
Gun shots  
Pistol shots  
Gun shots

Bullets from a revolver  
Bullets from a gun  
Bullets through the atmosphere  
Here they come

John, I've been bad  
And they're coming after me  
Done someone wrong  
And I fear that it was me

Sapphire bullets  
Bullets of pure love
