They Might Be Giants, Sentimental Over You

Never thought I'd fall But now I hear the call I'm getting sentimental over you Things you say and do Just thrill me through and through I'm getting sentimental over you

Once I wondered why I'd sit at home and sigh I'm getting sentimental over you Words cannot describe This poetry inside I'm getting sentimental over you

I thought I was happy, I could live with myself Now I see that love is all that I'm thinking of

Won't you please be kind And just make up your mind That you'll be sweet and gentle Be gentle with me 'cause I'm getting sentimental over you

I thought I was happy, I could live with myself Now I see that love is all that I'm thinking of

Won't you please be kind And just make up your mind That you'll be sweet and gentle Be gentle with me 'cause I'm getting sentimental over you
