

# They Might Be Giants, Stomp Box

Stomp Box speak my thought  
Vent these voices from the dark  
Shout Shout Shout Shout  
Scream it out  
Blast your missive  
Tell the wordless message  
Little Stomp Box  
Tear it from my heart

Stomp Box, voice of fear  
Pour the poison in my ear  
Kill Kill Kill Kill  
Kill me now  
Free the demon  
Hear the ceaseless screaming  
Little Stomp Box  
Tear it from my heart

Stomp Box speak my thought  
Vent these voices from the dark  
Shout Shout Shout Shout  
Scream it out  
Blast your missive  
Tell the wordless message  
Little Stomp Box  
Tear it from my heart

Kill Kill Kill Kill  
Kill me now  
Free the demon  
Hear the ceaseless screaming  
Little Stomp Box  
Tear it from my heart
