They Might Be Giants, Stomp Box

Stomp Box speak my thought Vent these voices from the dark Shout Shout Shout Scream it out Blast your missive Tell the wordless message Little Stomp Box Tear it from my heart

Stomp Box, voice of fear
Pour the poison in my ear
Kill Kill Kill Kill
Kill me now
Free the demon
Hear the ceaseless screaming
Little Stomp Box
Tear it from my heart

Stomp Box speak my thought Vent these voices from the dark Shout Shout Shout Scream it out Blast your missive Tell the wordless message Little Stomp Box Tear it from my heart

Kill Kill Kill Kill Kill me now Free the demon Hear the ceaseless screaming Little Stomp Box Tear it from my heart
