

# They Might Be Giants, The Biggest One

The water running down that pipe  
Looks like a snake to me  
By "Doc's Sugar Bowl" my coffee gets cold  
Because I don't want to see that  
I've got no one to blame but my fat self  
I've got no one to blame but my fat self  
I'm the biggest one  
I'm the biggest one  
I've got no one to blame but my fat self

Should have changed that stupid lock  
Should have thrown away the key  
No, no, not I, I will survive  
Right down here on my knees 'cause  
I've got no one to blame but my fat self  
I've got no one to blame but my fat self  
I'm the biggest one  
I'm the biggest one  
I've got no one to blame but my fat self
