They Might Be Giants, The Guitar

Hey Who's that playing Hey The guitar?

Is it Jim? I don't know Is it Jim? I don't know

In the spaceship, the silver space ship, the lion takes control In the spaceship, the silver space ship, the lion takes control

Hey Who's that playing Hey The guitar?

Hush my darling, be still my darling, the lion's on the phone Hush my darling, be still my darling, the lion's on the phone

Hush my darling, be still my darling Hey Hush my darling, be still my darling Hey

Turn it up The guitar I can't hear The guitar

In the spaceship, the silver space ship, the lion waves good-bye In the spaceship, the silver space ship, the lion waves good-bye

Hey Who's that playing Hey The guitar?

Hey Hey Hey Hey
