## They Might Be Giants, Window

Look at all the people in the window I'm checking out the people in the window I was uncomfortable Now I'm uncomfortable The trouble I encountered when I thought it was, it was a window

It was a catalog Of many women, men The window Window Window

Look at all the people in the window I'm checking out the people in the window I was uncomfortable Now I'm uncomfortable The trouble I encountered when I thought it was, it was a window
