

# They Might Be Giants, Yeh Yeh

Now every evening, all my day's work is through  
I call my baby and ask her what we could do  
... she doesn't seem to dig that  
And then she asks me why don't I come to her flat  
And have some supper and let the evening pass by  
Playing records, the sounds of groovy hi-fi  
I say yeah, that's what I say, I say yeah

My baby loves me, she gets me feelin so fine  
And when she loves me, she lets me know that she's mine  
And when she kisses, I feel the fire get hot  
She never misses, she gives it all that she's got  
And when she asks me if everything is ok  
I give the answer, the only thing I could say  
I say yeah, that's what I say, I say yeah

We'll play a melody and turn the lights down low so noone can see  
We gotta do that, we gotta do that  
We gotta do that, we gotta do that  
And there'd be noone else alive in all the world except for you and me  
Yeah yeah yeah yeah  
Yeah yeah yeah yeah

And pretty baby, I never knew such a thrill  
It's hard to tell you, because I'm trembling still  
No need to ask me if everything is ok  
I've got my answer, the only thing I can say  
I say yeah, that's what I say, I say yeah

We'll play a melody and turn the lights down low so noone can see  
We gotta do that, we gotta do that  
We gotta do that, we gotta do that  
And there'd be noone else alive in all the world except for you and me  
Yeah yeah yeah yeah  
Yeah yeah yeah yeah

And pretty baby, I never knew such a thrill  
It's hard to tell you, because I'm trembling still  
But pretty baby, I want you all for my own  
I think I'm ready to leave these others alone  
No need to ask me if everything is ok  
I've got my answer, the only thing I can say  
I say yeah, that's what I say, I say yeah  
I say yeah, that's what I say, I say yeah
