

# They Might Be Giants, Youth Culture Killed My Dog

Youth culture (youth culture)  
Youth culture (youth culture)  
Youth culture (youth culture)  
Youth culture (youth culture)

Youth culture killed my dog  
And I don't think it's fair (I don't think it's fair)  
And his suicide can be justified  
By the tastemakers, how they cried and cried and so

Bacharach and David used to write his favorite songs  
Never, never, never would he worry, he'd just run and fetch the ball  
But the night lights and my dog's life aren't exactly one and the same

Youth culture killed my dog  
And I don't think it's fair (I don't think it's fair)  
And the judgement made in the city of hate  
Just broke his spirit so

Bacharach and David used to write his favorite songs  
Never, never, never would he worry, he'd just run and fetch the ball  
But the hip-hop and the white funk just blew away my puppy's mind

I don't understand what you did to my dog  
And I don't understand what you did to my dog  
I don't understand what you did to my dog  
I don't understand what you did to my dog

Youth culture killed my dog (Youth culture killed my dog)  
And I don't think it's fair (I don't think it's fair)  
And his suicide can be justified  
By the tastemakers, how they cried and cried and so
