

They Might Be Giants, Zeroes

Zeroes! (Zeroes!)
Zeroes mean so much
Zeroes! (Zeroes!)
Zeroes mean so much

In numbers big (one million) to small (one millionth)
And the number that means nothing at all (the number zero)

Zeroes! (Zeroes!)
Zeroes mean so much
Zeroes! (Zeroes!)
Zeroes mean so much

In numbers big (ten, one hundred, one thousand)
And numbers small (one tenth, one one-hundredth, one one-thousandth)
And the number that means nothing at all (the number zero)

One definition of zero
Is the mathematical value
Between positive and negative values

Zeroes! (Zeroes!)
Zeroes mean so much

In numbers big (one million) to small (one millionth)
And the number that means nothing at all (the number zero)
