

# Thin Lizzy, Baby Drives Me Crazy

I said, &quot;Baby, baby, baby, baby, baby, baby, ooh baby, baby, baby...&quot;  
Baby drives me crazy  
Baby drives me crazy  
Crazy about you baby

Baby drives me crazy  
We're a little bit crazy  
Aren't we baby?

Sugar with the sweet night  
Sugar with the midnight  
Sweet on you sugar

Love a little true love  
Sweet on you honey

I said, &quot;Baby, baby, baby, baby, baby, b-b-b-baby, b-b-b-b-b-b-b-baby&quot;  
I said, &quot;Baby! Baby!&quot;
