

Thin Lizzy, Dancin' In The Moonlight

When I passed you in the doorway
You took me with a glance
I should have took that last bus home
But I asked you for a dance

Now we go steady to the pictures
I always get chocolate stains on my pants
My father he's going crazy
Say's I'm living in a trance

But I'm dancing in the moonlight
It's caught me in its spotlight
It's alright, alright
Dancing in the moonlight
On the long hot summer night
It's three o'clock in the morning
And I'm on the streets again
I disobeyed another warning
I should have been in by ten

Now I won't get out until Sunday
I'll have to say I stayed with friends
But it's a habit worth forming
If it means to justify the end
