

# Thin Lizzy, Out In The Fields

It doesn't matter if you're wrong or if you're right  
It makes no difference if you're black or if you're white  
All men are equal till the victory is won  
No color or religion ever stopped a bullet from a gun

Out in the fields, the fighting has begun  
Out on the streets, they're falling one by one  
Out from the skies, a thousand more will die each day  
Death is just a heartbeat away

It doesn't matter if you're left or to the right  
Don't try to hide behind the cause for which you fight  
There'll be no prisoners taken when the day is done  
No flag no uniform ever stopped a bullet from a gun

Out in the fields, the fighting has begun  
Out on the streets, they're falling one by one  
Out from the skies, a thousand more will die each day  
Death is just a heartbeat away

There's no communication  
No one to take the blame  
The cries of every nation  
They're falling on deaf ears again

Out in the fields  
Out in the fields, they are falling one by one  
Out in the fields, no flag has ever stopped a bullet from a gun  
Death is just a heartbeat away

Out in the fields, a heartbeat away  
Out in the fields, death is just a heartbeat away  
Out in the fields, a heartbeat away  
Out in the fields

Out in the fields, the fighting has begun  
Out on the streets, they're falling one by one  
Out from the skies, a thousand more will die each day  
Out.
